

# We are hiring: Senior Research Fellows and Research Fellows

## Join Nordregio – A Leading Nordic Research Institute

### About the Role

Nordregio is currently seeking 1-2 Senior Research Fellows and/or Research Fellows to join our team. The positions offer an opportunity to contribute to impactful research and analysis on key topics in regional development and planning. For these positions, we are particularly interested in candidates with expertise and interest in one or more of the following key topics:

- Regional development and planning
- Urban governance and development
- Digitalization and AI-development

### Requirements

- *The positions as Senior Research Fellow require a doctoral degree and are expected to have at least two years of relevant experience in research or practice post-graduation. The degree should be in a discipline aligned with at least one of the research fields above (e.g. human/economic geography, economics, political science, sociology, planning, urban studies or similar).*
- *The positions as Research Fellow require either a doctoral degree or a master's degree with at least two years of relevant experience in research and practice post-graduation. This shall include documented experience of performing scientific analysis and writing of scientific texts. A Research Fellow is also expected to have experience in project management. The degree should be in a discipline aligned with at least one of the research fields above (e.g. human/economic geography, economics, political science, sociology, planning, urban studies or similar).*
- *Strong analytical skills and the ability to take a creative approach to complex problems.*
- *Highly motivated with the ability to work independently, as well as the skills to work effectively in a cooperative research environment.*
- *Well-developed communication skills including the ability to network and work collaboratively with a range of stakeholders and partner organizations.*
- *Fluent in English and a Nordic language.*
- *The geographic scope of your fields of interest includes in-depth knowledge of at least one Nordic country as well as a pan-European perspective.*

### Main Work Tasks

- *Independently lead and participate in research projects, including supervising junior staff and disseminating Nordregio research.*
- *Develop new research perspectives and lead funding applications, including establishing research networks with external partners.*

### What we offer

*The position starts as soon as possible - or subject to agreement.* Nordregio offers contracts with a maximum length of four years. Subject to further agreement, the contract can be extended for up to four additional years. If you are currently employed by the State in a Nordic country, you are entitled to a leave of absence from your present position for the duration of your employment at Nordregio according to the agreement "Avtale om rettstilling for samnordiske institusjoner og deres ansatte". Candidates relocating from another Nordic country to Sweden are offered a relocation package as well as a monthly salary addition. All relocating candidates will be offered support in relocating to Stockholm. For our employees to perform at a high level, we support, in various ways, the employee's own responsibility and initiative to find a balance between work and private life. Examples of support include generous health benefits, opportunities for peer-to-peer learning, and encouraging social gatherings.

### Why Nordregio?

Nordregio is an international research centre for regional development and planning. We conduct solution-oriented and applied research, addressing current issues from both an academic perspective and from the viewpoint of policymakers and practitioners. Nordregio participates in European, Nordic and national research programs and carries out commissioned projects for different levels of government. We conduct case-studies in different regions, perform territorial analyses on a transnational and pan-European level, and undertake evaluations of various European and national programs.

We are a team of multidisciplinary, international people and our office is situated in attractive surroundings at Skeppsholmen in the heart of Stockholm, Sweden. The institute was established in 1997 by the Nordic Council of Ministers and is built on 50 years of Nordic collaboration.

Working at Nordregio provides you with the opportunity to become part of a truly international research environment. We offer significant career development potential in terms of enhancing your international network of contacts in both policy and academic fields, as well as an extensive experience with project management. You will also have rich opportunities to collaborate with regional and municipal stakeholders in the Nordic countries.

### Application

**Application deadline:** We look forward to your application, including CV and personal letter in English no later than **August 15, 2025**.

**How to apply:** Click on "**ansök här**" at the bottom of the page. When you are redirected to the "**integritetspolicy**" (privacy policy) page, check the box to accept it. On the next page regarding "**offentlighetsregler**" (publicity rules) click on "**fortsätt**" to proceed to your application.

We kindly request applicants to not submit their application via e-mail.
